10 Presently before the Court is the parties' memorandum (ECF No. 631), filed on October 31,
11 2017. Also before the Court is the parties' joint brief (ECF No. 642), filed on November 22, 2017.
12 Also before the Court is the parties' joint brief (ECF No. 664), filed on December 15, 2017.

13 On December 16, 2016, the Court ordered (ECF No. 372) that before filing any further
14 discovery motions in this case, that the parties must submit a brief memo outlining the nature of the
15 disputes and whether the parties believe those disputes can be resolved via a telephonic status
16 conference rather than formal briefing.

17 In their joint memorandum (ECF No. 631), the parties request a telephonic status conference
18 regarding disputed RFP's. The memo indicates that the parties have not met and conferred on each
19 disputed aspect of the RFP's. The Court will therefore require the parties to make further attempts to
20 meet and confer before taking any action on this memorandum.

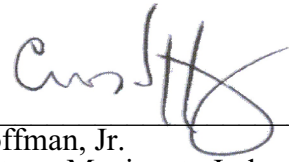

21 In their joint brief dated November 22, 2017 (ECF No. 642), the parties request a telephonic
22 status conference regarding Rimini's intent to move to compel Oracle's response to Interrogatories 5,
23 7-11, and 22. The Court has reviewed the brief and does not believe a status conference is necessary
24 at this time. Rimini may proceed with its motion to compel.

25 In their joint brief dated December 15, 2017 (ECF No. 664), the parties request a telephonic
26 status conference regarding Oracle's intention to file a motion to compel supplemental responses to
27 their Interrogatory Nos. 3 and 10. The Court has reviewed the brief and does not believe a status
28 conference is necessary at this time. Oracle may proceed with its motion to compel.
